

Elite Impex
Industrial Spares

COMPANY PROFILE

www.elite-impex.com

WHO WE ARE

We provide the global market with industrial automation spares and consumables featuring over 100+ parts from leading Original Equipment Manufacturers. Purchasing automation parts has always been more dependable, swift, and effortless than it is now from a single source with excellent after-market services.

OUR VISION

Be Fast - The quickest response time in the industry.

Be Global - A diversified, multi-national customer and supplier base.

Be Connected - Total collaboration within groups and the marketplace.

OUR MISSION

To provide our customers with valued solutions using our expertise in industrial automation spares and consumables.

We provide proven and effective sales & services to ensure the company remains competitive now and in the future.

Besides providing innovative services and using proven methods

OUR HISTORY

Elite Impex is an industrial automation spare and consumables supplier serving various manufacturing industries and service providers.

The manufacturers we represent allow us to provide OEMs with various items, from Motion Control products to Sensors to Terminal Blocks, making us a "one-stop shop" for all your automation needs.

WHO WE ARE AND WHAT WE DO

Elite Impex is a supplier of products with an impressive track record of promptly delivering products to our clients. We understand the importance of balancing quality, timeline, and affordability. Every aspect of our sourcing process is tailored to your needs and preferences.

Elite Impex was incorporated in 2014 by the Set of Professionals with vast experience in Industrial Automation products and consumable goods for SMT industries.

We believe in and focus on before-after sales service. **Elite Impex** follows best practice import/export principles by preparing comprehensive Project plans, facilitating specifications and tender documentation, and managing supplies.

We sincerely look forward to establishing a long business relationship with you. If you are interested, please kindly contact us.
